DAJIAN COMPANY PROFILE

Chinapack Commodity Co., Ltd. is an export-oriented enterprise specialized in manufacturing a wide range of plastic mugs, stainless steel mugs and vacuum flasks.

Founded in 2003, Chinapack Commodity Co., Ltd. is located at the communication hub of Yongkang and Wuyi city, which is known as China's Town of Metals and Hardware.

Our company is specialized in design development, production and sale of plastic and stainless steel products. Equipped with above 20 stainless steel processing units and over 30 injection molding machines with manipulators, our company is dedicated to the production of travel mugs, auto mugs, advertising mugs, thermos mugs and gift sets, etc. Based on a strict quality control on every procedure of each product, our products have passed quality tests of environmental and food safety standards, such as FDA and LFGB. The products are mainly sold to Europe, America and Japan. In addition, our company also cooperates with many world famous brand companies to develop OEM products collaboratively, for example, Biglots, JC Penny Bullet and Polyconcept Customers' business performance is always our concern. With our distinguished cooperating ability, we endeavor to provide customers with excellent services to meet their foremost demands.
